GOD'S BLESSING

THE CONVERSION OF FINLAND OPENS GOD'S BLESSINGS

*God will crush
all obstacles so
that the Bible
will come true
for Finland as
well.*

God knew, also when choosing Finland, that as a nation we are, very badly, inclined to God's will. But, just as through God's exact choice, Israel is fulfilling, very imperfectly, the broad prophecies of the Bible, so it is with Finland, and it will certainly happen.

When Israel, in many ways, having violated God's will, fulfills the Word of the Bible, God will be honored for it.

Likewise, we can know that Finland, in its case, is most fiercely "stupidly proud", going "first" to do stupid things that are taking our

nation to the state that we will leave the number of nations.

Our path is known to God, and God, in preventing, in the end, our national destruction, for that the Living God, in the midst of our people, gets great, great, honor and thanks.

FINLAND'S GOOD SOWING OVERCOMES THE PREVIOUS BAD SOWING

As above, Sowing and reaping on the page has become clear, God has made the world work in everything through sowing and reaping.

Up until now, Finland has, to a large extent, sown destruction and death in its life, and the consequences of the evil sowing are starkly visible in our midst.

When Finland, as a nation, has turned to serve God, then, the nation's new powerful, good sowing, will soon suppress our previous evil sowing, will only grow until its harvest.

As we can read in the Bible, God embraces to bless nations and their people, and the same is the case with the people of Finland.

The Bible speaks very strongly about the matter, when a person or nation has turned to God; "God turns his/her fate when one has turned to obey God. We do know about God's judgments, but fewer people are left with the matter of God blessing those who do God's will in their lives.

The law of sowing and reaping also works when Finland as a nation turns to God and we end up under God's blessings.

Finland, as a nation, will experience how, God really turns the fate of our nation around, when our nation, e.g. God turns the things harmful to the well-being of our people from the past, our leaders and responsible persons, that e.g. various loss-making trades can be canceled and Suo-me will be compensated for the resulting losses in multiples.

It is not necessary to continue telling more about the blessings of God and Finland, because they would only be a "pale inkling" of what is already in our midst, for everyone to experience.

But nevertheless, one thing is especially to God's mind, that Finland's converts serve God. In the future, further down the line, there will be a matter on these websites, about joining Finland, with God's full will, together with Israel. Dear visitor of the website, you can read about those things on the pages below, The realization of the call.

What do you know, Satan has tried to destroy Finland in his anger, many times in its history, so that we as a nation could not fulfill the Word of the Bible for us and thus Satan and his forces could escape eternity, in the fire of hellish pain.

GOD REVERSES DESTINIES

If we go back a few decades, to the time before our nation's criminal attachment to the slavery of the EU, since that time, it is clearly visible how increasingly the lie has done its work for Finland and we are already close to the fact that our nation is leaving the chapter of nations.

However, God cannot fail to fulfill the Word of the Bible, in the case of Finland, and God will turn the people of Finland to Him.

1 THIS IS THE WORD THAT CAME TO JEREMIAH FROM THE LORD:

2 "THIS IS WHAT THE LORD, THE GOD OF ISRAEL, SAYS: 'WRITE IN A BOOK ALL THE WORDS I HAVE SPOKEN TO YOU.'

3 THE DAYS ARE COMING,' DECLARES THE LORD, 'WHEN I WILL BRING MY PEOPLE ISRAEL AND JUDAH BACK FROM CAPTIVITY AND RESTORE THEM TO THE LAND I GAVE THEIR ANCESTORS TO POSSESS,' SAYS THE LORD."

As the Bible, in numerous different passages, tells how God reverses the fate of Israel, his possession, so no less is in store for the people of Finland, when it, through God's supernatural act, has been torn, e.g. freed from the slavery of the EU, to become powerful, to fulfill the prophecies in their place, for many to come to God.

In the book of Jeremiah 30:3, the Bible tells how God turns the destiny of Israel.

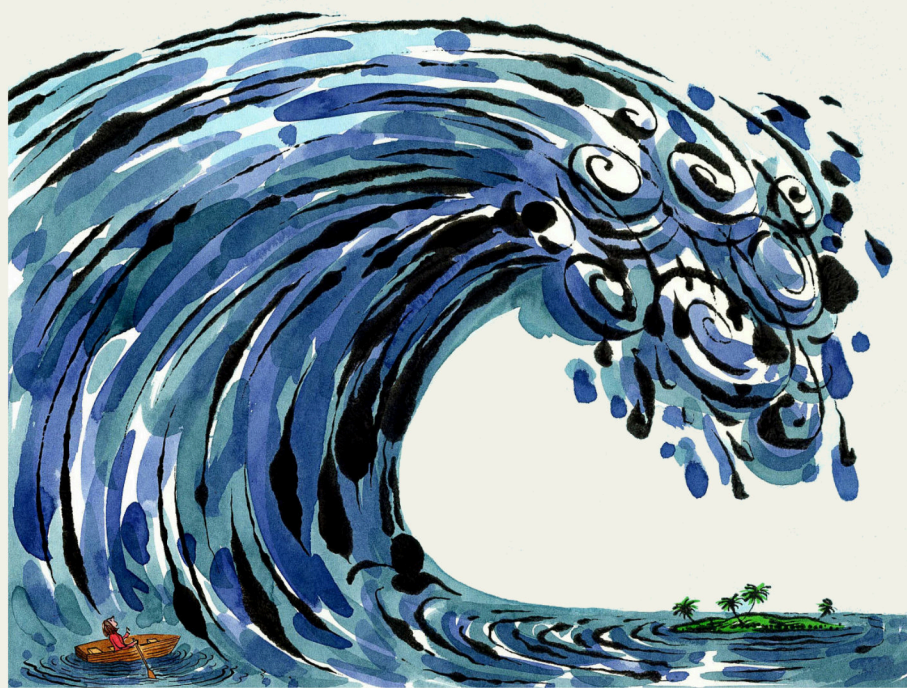

The title of the chapter says; The promise of rebuilding.

God will rebuild, including Finland, that as a nation we are skillful and powerful, to do the full will of God for us, this is how the Bible also comes true for Finland.

In the past, the reality of the tsunami has already come up. The tsunami does not leave behind any former structures and thus, God will rebuild, also Finland and its people, completely removing all the former bad life from our midst, so that God can thus abundantly pour out his blessings on Finland, we as a nation can be a blessing to the people of the whole world without distinction.

God, in Jesus, has defeated Satan, also in the case of Finland, Finland, as a nation, fulfills the Word of the Bible in its life in due time.

May God's Holy Spirit, for everyone who visits the website, open this matter more, for his personal life, what is the matter for him, for him to be an active part in God's future plans, for Finland.

*By God's grace,
Finland's path will
be turned away
from destruction,
with "God's
tsunami",
everything old will
be left behind.*

**GOD BLESS FINLAND, WHO HAVE TURNED AWAY FROM SIN,
NOW DOING GOOD.**
